

NEW

'Success through People' Package

Investors in People South West is delighted to announce its new 'Success through People' Package.

Our new value added package, using the Investors in People framework as a basis, is designed to be completely bespoke to your organisations needs, to help you maximise your people resources to make your business even more successful.

Investors in People is one of this country's 'superbrands' and is recognised and respected by businesses and prospective employees. Investors in People has been proven to help businesses weather economic and business downturn and come out stronger on the other side.

The Investors in People framework is a proven business improvement tool designed to support and develop organisations by enabling them to improve their performance through their most valuable asset, their people.

The framework now covers extensive areas of good practice in:

- business improvement
- organisational development
- people management
- training

including areas such as:

- business and people planning
- communication
- performance management
- management development

And the list just goes on!

Using our 'Success through People' package, our specialist advisers and assessors will work with you to identify your business issues and goals; support your business development, ensure you are getting the best return on your investment in your people and ultimately facilitate your organisation achieving the renowned Investors in People accreditation. So enabling you to promote your organisation as one of the best in the country at improving its performance through people.

The fees for our package are detailed overleaf

Our 'Success through People' package includes a range of support that is tailored to your business i.e.

- 4 days bespoke advisory support
- Network Club Meetings, free of charge
- Bespoke assessment package based around your business needs and objectives
- Plaque and Certificate of Recognition
- Support with celebrating your success
- Access to benchmarking database
- Annual visits / contact from your assessor to support you towards your next review and ensure you are kept up-to-date

The fees for our package are detailed below – these fees are discounted from the national recommended rates and further discounted from the fee you would pay in the South West if you bought each element separately, so they provide an excellent value added opportunity to develop your business at a competitive rate. We also offer easy up front or quarterly payment options.

So why wait? Sign up now – call us to find out more and become one of the best organisations around at improving your performance through your people!
