

A Business Consultancy Service from Recognising Excellence

**RECOGNISING
EXCELLENCE**
Raising Performance

The key to surviving in business today is to have a pool of expertise to call upon to meet your organisation's needs.

Here at Recognising Excellence we have access to over 100 specialists offering a range of business subjects. Each of our specialists has experience of delivering the types of solutions that today's businesses need.

Whether your objectives are to boost your share of the market and see your business grow or to just survive in these difficult times, our consultants can offer new perspectives on your business and introduce new strategies to add value and maximise your organisation's potential.

Our Business Consultancy Service covers a vast range of consultancy work including:

- Health & Safety
- Business Planning
- Marketing and PR
- Staff Training
- Business Law
- Environmental issues

to name just a few.

All you need to do is pick up the phone or email us with your requirements. We will then arrange for you to be contacted by a consultant who can discuss your needs and provide you with any other information about our Business Consultancy Service.
